Henry Cushing by Sept 25th 1925

The Brandon Press
by force

Dear Sir,

I am a brother of
"Charles Locke" referred to by
you in Oster's life -

I was surprised to read
at page 175 VOL 1 that
the "burden of the Education
of his three children fell
on Oster". Would you kindly

let me know by what
authority you make this
statement faithfully yours
Robert Locke
