My dear Dr. Cushing,

Through an error, a letter in regard to Dr. Alexander was sent to you instead of to Dr. Arthur Cushing. This has been corrected so that Dr. Cushing has his own letter. I am very sorry indeed that we made this mistake and you bothered to look up any records. Please accept my apologies.

This note, however, gives me an opportunity to express to you what I have been anxious to do a long time, that is, my very sincere appreciation of the wonderful piece of work you have done in your "Life of William Osler". It is an epoch making work and everyone I know has been thoroughly delighted with it and regard it as priceless.

With kindest regards and best wishes
of the Season, I am

Very sincerely yours,
