" Dr. Osler is just off to Norwich for the unveiling of Sir Thomas Brown's
statue. I am sending the Pall Mall Gazette with the account of his lecture at
Guy's. Your friend Dr. Shadwell " of Tortoise Fame " has been elected ^{Professor?} Professor at
Oriel. We thought we could get his house which is fascinating inside, ^{Provost} but Dr.
Shadwell declines to leave until they build him a decent house at Oriel."

and was once the friend of St Mary's ^{and} ~~and~~ Dr. Shadwell
claims that Erasmus lived there but he
