The Medical Museum,  
McGill University,  
Montreal.

July 12, 1921.

Harvey Cushing, Esq., M.D.,  
Peter Bent Brigham Hospital,  
BOSTON, MASS.

Dear Doctor Cushing:-

I received another small item for the Osler Bulletin under the heading of "Student Reminiscences", from Dr. Murdoch Chisholm of Halifax, and am sending you a copy in case the material in it might be of use in the biography.

With best regards,

Yours very sincerely,

*Maude E. Abbott*
