

C05417/100.111

House of Commons.

3 Aug. 1904.

My Dear Uncle,

Balfour has just told me that he has put Osler's name before the King and expects his answer tomorrow or Friday. He is certain all will be right, and wants Dr. Osler kept at all cost in London. I told him of the impending departure.

Yours aff.

R. B. H. (alone)
