1, West Franklin Street.

Baltimore, Md. Nov. 21st, 1904

Dear Chittenden:-

*Cp July 9 1904*

Very many thanks for your book which I found on my return from a short trip. I have not yet had time to read it, but I anticipate great pleasure in getting over the main points. I enclose you a very good synopsis of the introductory chapter of the nutrition in the New French Traite. I daresay you could find the work at Yale.

Sincerely yours,

W<sup>m</sup> Osler
