Dear Foster,

I am desolated not to see you & say good
bye in person but I am still tied up with a curious
paroxysmal cough - very like senile whooping-C.

Hearty thanks for all the good work you
have done. You took over a tough job & have pulled
it through. Don't worry when the heathen rage.

Bon voyage. & thanks too for your
kindness to Major Frances.

Yours sincerely

(sgd) WM. Osler

It was as Foster's aide
that I went to Rome
to the "Invalidi di
Guerra" conference
in Oct. 1918.
