Dr. Harvey Cushing,

Peter Bent Brigham Hospital,

Boston, Massachusetts.

Dear Harvey:

Thank you very much for your prompt return of the Osler letters; I hope you found them of some use. The review of Foster's appeared in the American Journal of Medical Sciences in 1902; I am sorry I cannot give you the exact issue.

Vol 124 p 899-903

I am sorry to say I have none of Osler's letters to Fred.

Very sincerely yours,

Francis R. Packard
