Dear Dr. Jacobi:

Please delight the heart of an ardent admirer of yours, Dr. G. A. Auden of York, Eng. by sending him your photograph. He has a tough old caricature of you from some paper above his mantle-piece and I told him that I would write and ask you to send a good one.

I hope you have had a good summer and that Mrs. Jacobi is, at any rate, not worse. After three weeks in Paris, I joined Mrs. Osler at Guernsey where she had taken a cottage by the sea. For nearly eight weeks we rested and fished and bathed and had a most pleasant holiday. We have now returned from Scotland to pack up our things and get ready for the homeward trip on the 16th. I hope you got Kupmauls "Aus meiner Docentenzzeit". I asked to have it sent to you in July. 'Tis not up to the Jugenderinnerungen ~~ist~~, but there are several good bits. I have got some treasures - an edition of princeps of Celsus 1478, the most important.

Sincerely yours,  
Wm Osler
