Dec. 22nd, 10.

Dear Ogden,

We are delighted with the pictures of the children. Tell your wife it was very good of her to send the boy too. What darlings they must be!

You would not know our boy he has grown so much. He will soon be fifteen.

I wish you would make arrangements to come over here next year; it is high time you had a good holiday.

Happy new year.

Sincerely yours,
Wm Osler
