Letter (Typewritten)

Dear Archie,

So glad to hear that you are finding treasures. There would be no difficulty in getting at any letters sent to the Record Office. I remember Mrs. Lomar told me of Finch's letters that she had had. You are sure to find some gems amongst the books. The list you send is interesting. Miss Parker will do the translations. (Script) I have just seen her. So get at the documents &c.

Yours,  
W.O.
