From Dr. Adami to W. O.

Pembroke House,
133, Oxford Street,

November 15th, 1917.

Dear Sir William,

The General has this mment advised me that he is called to Bramshott the first thing to morrow, and cannot be here at 12.30. Can I meet you anywhere and discuss ways and means, to put these before the General, or shall we wait until Sunday as I will prepare a memo, on the subject for your consideration?

Yours ever,

Sir William Osler, Bart,
13, Norham Gardens,
Oxford.

Lieut. Col. A.D.M.S.
