

P. R. O. to A Mallock CUS417/126.9

Wednesday

[7th July '18]

(letter, script)

----- I hope you have not been having influenza - I am momentarily expecting it and pray Sir William does not get it. I can't have him lose another ounce of flesh - his bones will come through. He grows thinner all the time. ----- I want Sir William to go away in August - probably to Lyme Regis where the Hartys and Wrights will be
