

Oxford and Reading Branch—British Medical Association.

Aug 10. 1928

Dear Dr Cushing

223 Kings Road,
Reading

Sir William accepted the Presidency of this Branch in July 1913 being subsequently ^{annually} re-elected, and was President at the time of his death. The last Meeting he presided at was in July 1918. He always took the keenest interest in bringing the members of the profession together. Some of us who were present at the 1918 meeting will ever forget the way he demonstrated his cases ⁱⁿ his genial presence and humorous anecdotes.

I am

Yours sincerely

E. M. Quire. (Hon. Sec.)
