Quebec, 7 January 1796

My Dear Sir,

I wrote you a few lines by — Monday's Post, since which I have received your favor of the 4th Instant. I did not write to you yesterday, by Post, this Day, as Mr. de Fell, leaves this to Morrow for Montreal. I am sorry that you have not met with the Bargain for Nipigon, perhaps Mr. Fell arrival may be instrumental in bringing matters to a final settlement. Had some conversation with Richardson yesterday. He appears to be very loth to take any risk upon themselves, whatever, that they can do nothing. Binding on Cameron & Garmain, if they did, they would lay themselves open to a Resurrection the same as the Robertson's, on the whole, he don't appear inclined that anyth. should make any Bargain with us, but what such as would keep their Peace, Harmless. I oblige the intended Proposal you mean to make to Mr.
that you had some intention of making him an offer of £300 for the whole Debt, due by Cameron & A. Carrains.

I am very glad the Bonnehomme is with you tho' I believe his business will call him here very soon, give our kind compliments to him.

We had a very elegant Dance & Supper last night at Mr. A. Coffin's which he gave in compliments to Colonel & Mrs. Barnes. I wish you would send me a copy of the Banada Sheet when Mr. McEflin returns, or by any other private conveyance. Are you in want of Callicum or any other Indian Food?

May your visits & Rachel writer with one in our affectionate regards to Mrs. McIvish & I am My Dear Sir

Your affectionate friend

J. Robichis
