

FOREIGN OFFICE, S.W.1.

23rd March, 1938.

Dear Lord Noel Buxton,

It was very kind of you to send me a copy of your memorandum on the suggestion of a plebiscite for the Sudeten-German areas of Czechoslovakia.

As you say, the suggestion is not a new one, but it bristles with difficulties. I have asked the department concerned to give every consideration to the plan you advance.

Yours sincerely

Robert A. Quinton

The Right Honourable

Lord Noel-Buxton.
