

My Dearist Brother

Agosto ^{no} 28

I received your letter of the 6th July
and I had two about three weeks before nothing could give
more pleasure than to hear of your wellfare I need not
say how happy I am to hear from you your own
feelings can best inform you it gives me great pleasure
to hear you had employed yourself as a surveyor of land as
it is the way of life you have been accustomed to and
will give you a knowledge of the Country when you
are so Comptabell I think you could not be better
employed If see that you have not got your
money from Macbride but you was to writ him first
as I sent out ^{the} Signatur of your name that they
might not be imposed on writ to James
Macbride part of us and he has an agent at
Pectou a Mr Montaner and Co merchants how
how will pay you the money and if there is
any other thing you stand in need of If they
set me know I will not send out any more
till hear from you I gald you have so much ^{but} more ^{Money}
beg your will accept of what I have sent ^{over}

I have enjoyed very good health this some time
and am as happy as you could wish me believe
me my happiness depend greatly on your well
I wrot you in my part of the death of your
Ant them and me are on very good terms but
they are a most selfsh set of people I
meet with the most kind attention from all my

acquaintances I have heard nothing of Mr Smith
but I hear that Mr Johnson is doing well and
paying great attention to his Business I told you
of Charles Marshall death Sundry is to get his
Money he is a very unquiet man and I am
afraid it will not last him long Mr James

Thomson was very anxious to hear of you and
all the rest of you I have seen have their

kind Compliments to you you must writ

what you think of Country and if it is
very cold in winter be I shew to writ me
often when I see Mr Old Russell he was very
anxious to hear from you and write when I
wrot to Mr K his Compl and a great many
none of your friends are to be remembered

you think it would be a risk for me to come
out this season I am willing to do as you think
best and by that time you will be better
able to know you will let me know what
you think of my coming out it could give
me your own desert to as before I am Dear

Brother yours

out to Prince Edwards next week I will
not visit by him as I want you to have
^{things} to do with him if he is you will take care
of him he is Bad man I let me know what
you think of the Country and what
of our things you want out they are
his mine & stones I will come out

I have
thought him to
do not visit him
Wrot you of in m
