Dear Sir, A few days ago I had your line about the Bible Society. The Sabbath school Society meets on the second Tuesday of February. Might not the Bible Society meet on Wednesday, the following day. Consult Mr. MacKinlay, and if it answers, send me another line, and I will endeavour to attend both, and to inform Mr. Forster. — If that day does not answer, fix on another among yourselves and I will endeavour to attend. It is more necessary that the day should accommodate the town than the country. I remain Dear Sir, yours
James MacGregor.
