James Dawson Esq^r
Pictou

Toronto 23^d March 1839

Dear Sir

I had the pleasure
of addressing you on the 5th inst. & annexed
a Copy of my letter of same date to Mr Blackadder.
Availing myself of a member's Cover I now hand you
a Card furnished by a respectable forwarding house here,
to whom I applied for information as to the best mode
of getting a small box sent from Pictou - Mr Brown
says the plan is to address the Box to me here to
his Care through the address of the Steam Tow Boat Co
Quebec - & John MacPherson & Co Montreal - The latter
Gent^l I happen to know & if you will kindly take the
trouble to ~~write~~ ^{write} a note by Post to him, when you
despatch it - I will pay the necessary attention.
Mr Mackenzie will hand over the little matters

~~to~~ on the annexed note. I have Mr MacPherson's name & address
10.4 - I have MacPherson's name & address. I will pay the necessary attention.

The taking out the Extract from the letter is
also Certified - With these there can be no demand
of the claim - You will please fill in the interest
of the date of payment -

In respect to Mr. Primrose having leased
the Stock along with the farm it is perhaps the
best present arrangement for either party, whatever
may be the decision as to the validity of Mrs. Dawson's
will - As Stock can be valued over & returned, but
the furniture must suffer greatly in value by use
& time & should I think be sold at once on account
of the concerned as may hereafter appear - The proceeds
to remain in safe deposit, until awarded
by reference or law - - to this Mr. Primrose will
readily assent, as it would relieve his principals
from responsibility in the event of loss by dilapidation
while the charge is assumed by him - You will easily
believe that your communications to us will always be
interesting - I with best regards to Mrs. Dawson in which Mrs.
Rankin sincerely unites I am my dear Sir
yours always
Thomas Rankin
