Pictou -

Gentlemen We are fav'd with yours of 7th Inst which will have our immediate attention - preferred your having Duplicate Invoice of Septr 30/52 - rendered a note of your &c - we had no object in sending you the Paper Mache Goods but as Samples through which you might do a trade they appear to have had that effect & as we should lose heavily by them at your proposed reduction we trust taking the advantage to your note &c you will be able to save us from that

We are Gentlemen

Yours truly
