Dear Sir, We were duly favoured with your esteemed order of 6th Decr. enclosing also Draft for Three pounds which has been placed to your credit -

We have now the pleasure to annex Invoice of said order, so far as we could get completed, and to advise of our having dispatched the Bot to Liverpool on the 1st to be shipped per first Mail Packet.

Our Agents have just advised us that there has been a change made in the dispatch of the Mails to Halifax - there being only once a Month, - therefore your case will not be dispatched till the beginning of February -

We are sorry we had not all ready in time for the January Mail, but as the greater portion of the Goods you ordered had to be waited for, likewise Messrs. Lawson & Sons seeds, we could not do better -

We enclose you the letter in reply to our query at the Insurance Agent, in reference to the Insurance of the "Montgomery" and which we trust will be satisfactory to you - Hoping to hear from you soon -

We are dear Sir truly
yours
