Copy memo about Lines of Leatshill Lane by
J M Harris Esq

Puton 13 May 1852 - I was called upon this day
by Mr Dawson, to Endeavour to ascertain the
Line of Lands between his Rassepion and ^a lot
of Land now the Property of Dr McCulloch -
now the Property of Mr Musie - The Line
was pointed out to us by Nancy Mc Mahon,
being an old stump mostly decayed, which
corresponds with the marks of an old Fence En-
rected by Mr Patterson, when in Rassepion
of the Lands now Mr Dawson's, which Mr
Patterson admitted to be the Remains of the
Line fence - but would not say it was ^{an}
the Exact Line - There might be some deviation
it being about 7 feet to the westward of where
the Fence now stands - Nancy Mc Mahon
says she could prove the Line any day, but
dare not do so far ^{years of} the trial of the Mr Musie's
I think the old Fence was about the Line.

(Signed) - J M Harris
