

Putau 14 April 1855

Means of Measurement of Property on
the South Side of Water Street - Taken
by Mr Geo Hattie - Took a sight of the
Original East Boundary Line at the East
End of Andra Tishoo House - found the
Course N 54 E - measured thence West 229 1/2
feet and continued in the same course 45
feet more to get a sight down Prince Street
thence East along Church Street 45 feet
to my West Line - thence South down Church
~~Street~~ Lane to the South Side of Prince Street
to a point measuring 9 feet 3 inches westerly
from my House along the South Side of
Water Street - Set off 6 feet 1 1/2 inches of
this as belonging to Mr W Henderson

by right of Purchase running Southwaly
at right angle with the Street to a point
This west line on being determined was
found to pass through my House about
15 to 18 inches from the S West corner

Permission given to Mr Henderson
to erect his House, beginning at the
point 3 feet 1 1/2 inches from my House

and running thence South ^{to} a corner
that will Touch & pass the ^{S. W.} corner of my
House in Exchange for the Privilege of
his allowing my House or any future
House to occupy the same position it
now occupies until a New & Mutual
arrangement is made by the owners
of the Property. a copy of the pre-
sent agreement is on file and will
be recorded.
