Mr James Lawson

Dear

I thank the Society as
usual at this season to enclose
you forty shillings for the
foreign Missionary Magazine
being now on his way to the
Scene of his labours I have
added the additional twenty
shillings for him. which while
able I will continue over
Bible Society intend this
season to lend direct to the

parent society, and hence
form a branch of it. Our
amount is too trifling
for the purpose, but a
Majority decided to have it
do, and we will likely
succeed in the course of next
Month — with best respects

Yours
D^r

Yours respectfully

A. M. Donald
