Major Wm. Harrison & Son
for

I now send you the 1/6
for Cozzella Paper for 1856 and also
for the 1/2 of Chamber's American
Man, which I have received. I do not
know how it happens, but you have
sent me. I remember and December 1/6
of Cozzella Paper twice; I suppose it
must have been that the person that
called for them did not tell you that
they were for me. I'd be obliged, if
before we see pay you whatever is due for
them.

Yours truly
James Hargrave
