Mr. J. Dawson & Son
Pictou -

Dear Sirs

By Coach that
leaves in the morning we
send parcel to your address
containing the March parts
of Capells. Enclosed please
find bill to present time -
it would have been sent previous
but we had not received our
account of shipping expenses
from the Agents. This charge
although high is not more than
the proportion - as the expenses
on a bundle not more than

four times the size of the
parcel sent you, is generally,
30/ or 33/2 Stg.

In fact the price of subscription
to Capelli does not pay on account
of the heavy charges of steamer -

Trusting the parcel may
arrive safe & speedy -

We are Dear Sirs

Yours Truly

Graham Son.

P.S. We sell the parts of the
"Picture Times" for 1/3 Grl.
