Tahamagonche, 9th June, 1856

Dear Sir,

Enclosed you have 8/9
which you will be kind enough to
forward to Messrs Johnson & Hunter
for the "News of the Churches" for
the present year. When I left
Edinburgh about the last of March
I requested them to send on my
paper to this place. I have re-
ceived the May but not the April
Number. I would feel obliged if
you would request them to send
me the April Number if they
have one to spare.

Yours truly,

James Dawson Esq. }
