Miss James Dawson & Son
Gentlemen

Please send me
by next stage three "Bayfield's" Charts & books
of directions — Also, will you be kind enough
to procure for me & enclose in the same parcel
a one shilling bottle of Opence of Croosote — It can
be obtained at any of the Druggists — I do not
trouble you but saw direct to the Drug stores were it
not that such small things are almost sure to go
astray — If you see a chance to send Charts
by vessel I prefer it

Yours truly
James G. McCreary
