Dear Sir

Your note of the
3^d inst. has been on hand
for some time. A vessel
owned by Mr. Beard left
aday or two after your
note came, but we could
not have let you know
in time for you to go by her.
We can hear of no vessel
likely to go for some time
to come.

I am sorry
your note was not answered
sooner, but has been delayed
as we had nothing definite
to say
Yours truly
Geo. T. Wasgard,
