J. J. Fuller, Esq.

Dr Sir

We send you here with 2
Dozⁿ Handbks, and a letter of intro-
duction to Mess^{rs} Lowman & Co Stationers
and Publishers Eimble, with whom we
have had much satisfaction in dealing
we also send you two of their cata-
logues, and we shall thank you not
to lose sight of them, as they are the
only topics we have, and may need
to get them, &c - They are Trade
catalogues and the prices are next
We think it would be advisable
to accompany the first order with
a Remittance, as is customary.

Very truly
