

Letter

J. W. D.
2nd May 1857

Me gill col
May 2

Dear Father,

McGILL UNIVERSITY ARCHIVES
ACC. NO. 2211/19
REF. 9

I have received

Yours of Apl 18th, enclosing
kind notes to the
children & flowers
seeds. I am hardly
yet prepared to speak
positively about going
to Pictou. I have
a great deal to do
here first, and there

are some difficulties
about leaving the
Naval school which
I think I
can get over. I will
think of the ^{ways}
rights and inform
you in my next
of my opinion of
their value. I
shall be glad to see

Mr. Pherson, . . . Sir J. Simpson
I know already, but he
is not a man with
whom I am likely to
be at all intimate. He
has however given a
donation to the College,

Miss Agnes received
within a few weeks
any letter from Mrs. Dawson
she wrote some time
ago and fears the

Enclose a note to Mr. Patterson in answer to one
regarding about minerals in specimens

letter may have been
lost as she has
not acknowledged
receipt.

I hope next week
to say something positive
about my visit to
N.Y.

With mine love
and best wishes to all
friends
Yours affectionately
W. D. Brewster

P.S. On Spring's late. Have some
nothing. First ship arrived yesterday
