Messrs J Dawson & Son
Gentlemen

I returned only a few days since from a visit to the United States or I would sooner have replied to your favour of 23rd ult. Although I have advertised the Harmonicon I have had no application for them, and think it is doubtful whether they will sell, as the Music Books used here are mostly American, which seem to be preferred and are imported at a cheap rate. As you are about to leave the Province I think the Books had better be returned. Please instruct me what to do with them.

Yours truly
J Dawson
