Dear Sir:

Your wheat has arrived
from Dorset & Suffreys
& Co, the receivers, have it
ready for shipment.
Perhaps the better way will
be for you to give them
direct orders as to its
forwarding. Their office
is 37 Commissioners Street.
(Dorset)

We are Dear Sir
Yours faithfully
Jas. Brod
Brokey

P.S. Please understand we are
willing to take any further
trouble you like - but we
think it may now be done
without our further intervention
