Dear Grandpa

I bought "A
"peep at the museum"
& Anna a fairy
story. Papa says it
is a useful story.
Mamma bought a
nice tin cart for
baby & he loads
it & draws it

all through the
house. I won't
let Anna or me
touch it. There
is a lot of snow
here and Anna
& I made a snow
house today.

Miss Beddie says
I have got two

or three steps up
the ladder of learn-
ing & if I am dil-
igent I will be
able to say all
my multiplica-
tion table &
read a chapter
out of the bible
to you when I

go to see you.

Baby says grand
for when he sees
a picture of a
man with spec
tacles on.

George.
