Peters 3^d April 1860

James Dawson Esq

Dear Sir

Yours of 22th ults
 acct John McQuilley paid us
 a week or two ago £100 for Crevan
 note - we waited thinking to get
 a favorable remittance but not
 succeeding we this day ask Mr
 Forman to remit you \$400
 from Califore - we have been
 often goggling John Sutherlands
 memory and he has been often
 promising to do something but
 for some years there has been so
 little doing to employ the industry
 of such people that we scarcely
 wonder at his inability to perform
 his promises however willing

We will collect Mr
 Jago & Mr McPhails as soon as
 we can - We have had no offer
 for any of the property - Mr Mc
 Donald gives us small hopes of
 getting Reids debt

We will get the 1/2 that returned
 Yours Truly
 James Munro Esq
