

Lettre
Taylor Bro's
19 June 1860

MS. A. 2

Mont. June 19. 1860

James Dawson, Esq
Montreal

Dear Sir,

On receipt of your note
yesterday, about B. W. L. Hook
we wrote to Toronto & one
of our correspondents to recuse
it. This we did at once
as we are cured very much
in your opinion of its value,
for the last statement was
looked upon as favorable.

If ^{it} has today been bought,
we suppose we must carry it
out for you - if not we
shall look for one of the
Hooks you named this
morning.

Yours faithfully
Jasper Wood
