Mr. Jas. Dawson

New York July 23. 1858

Dear Sir

Your favour of the
18th came duly to hand -

We had some trouble in finding
any thing about the vessels for Bermuda,
but at length succeeded -

The agents are

Smith & Lough

6 South William St

New York

One vessel leaves about the 1st of each
month. The price of passage is
\$25.00 They are small trading
vessels; but might be comfortable
in the summer season

Very Truly Yours
