

She told mother "I" that she really thought  
I should not eat any butter, or drink  
any milk, because I was so fat. -  
Did you ever hear such a horrid  
remark. I really think I am a size  
larger than when at metis, but  
fortunately my new suit makes me  
look beautifully slim -

Eva & Frances Dorothy Thomson &  
myself went to the Ping Pong to have  
our pictures taken. I send you the  
results - They are numbered on the  
back.

no. 1. I like

" 2. is the limit no wonder for  
I was biting myself to keep from  
laughing -

no. 3. is rather theatrical but good.

no. 4. Is specially for you.  
(rather coy don't you think? ahem)

7. About 1908.

Who do you think is our model  
at drawing now? "Wasp waist".  
He makes a splendid model, but  
is frightfully hard to do -

I think winter has come, the ground  
is white with snow - and also the

sky -

the latest lincoln.

"Yesterday my gun exploded.

When I thought it was not loaded.

Carelessly I pulled the trigger,  
ripped a piece off my wife's figure.  
Of course I'm sorry, and all that

but she shouldn't have been so fat."

I know such a lot of these but  
they are funnier to tell than to  
write -

I will do my best to remember  
you a little bit longer. If  
you hurry and come back.
