Dec 10th 1914

My dear Lois

I received an announcement today of the birth of a son on Dec 5th to Mr & Mrs Adams of Weedon.

A couple of days ago, or was it yesterday, Uncle Charlie came to the plant and afterward had lunch with me.

I expressed your blouse, pin, rubbers and tooth-brush today to you of your mother at 85-1 University. I can't find your gloves so I suppose they must be in Montreal.

I was glad to receive your card and hope Mr Bryson will be successful in renting the house. I rang up to speak to Mr Somers yesterday but he was out of town. I hope it is all O.K. about the house.

The work is running more smoothly for me today after 3 very strenuous and troublesome days in which I was up until after 12 o'clock every night.

Mr Gilman has been here yesterday and today and went home again tonight.

I had not the heart to leave the nice room on Monday. When it came to the point

it seemed so much more like home after your having lived in it that I persuaded Mr. Southwood to let me have it for another week at \$8⁰⁰. I dread the day when I have to move out. So tell me if you make a good bargain for the house so that I can afford to be extravagant enough to remain where I am.

Uncle Charlie advises me to look up Mrs. Worthington who is a sister of Cousin Dinham Wolson. It should be nice having a relation in town and I will try to look her up.

I hope that you are feeling well and that the baby is also flourishing. I am very anxious to see you both again at the earliest possible opportunity.

With best love

Yours affectly

Edward Wolson
