Dearest Edward

I'm afraid I have been neglecting you - Having a guest who is up to all sorts of pranks is not conducive to peace & quiet & letter writing -

Last night we had dinner with the Goodwins and then went to see the Court of Monte Cristo at the Capitol - it was perfectly gruesome & perfectly thrilling. I am so sorry that you should be missing these nice things - If certainly would have

enjoyed it - 2.

On Monday night we went to  
hear Joshua <sup>Sp</sup> Heifitz the  
violinist at the St Denis  
Theatre - He was perfectly  
~~thrilling~~ wonderful. I have  
never heard any one play the  
violin as he did. The crowd  
would not go home, but clapped  
till he came back & back  
about 4 times - after this  
we went and had supper  
at Derebelis - Coffee & rolls  
It was quite fun, there were  
so many quaint people. -  
Lobes was with us -

This afternoon I am taking  
the children to a party at  
Ma de Reines - Ann is so  
excited -

Ann said the other day  
When is Daddy coming back,  
I said why - "Cause I want  
to kiss him" Says Ann -

We miss you darling so  
much - I was so glad  
to hear from Mr Gilman  
yesterday, that your  
nose was turned for  
home - I told the  
children yesterday that

Your nose<sup>+</sup> was turned around  
and they looked quite  
alarmed - It will be lovely  
to have you back -

A great deal of love to  
you dearest - I hope that  
you are being a good little  
boy. I have had no letters  
for about a week!! not  
since your mother & father  
left.!

affectionately

Luis -
