My dearest Edward

I am very repentant if my letters have been too hudgebuns. I did not mean to worry you - I do not really think that I am in very bad health - I think probably I am a bit over tired & my nerves rather stretched - by everything that has happened lately - I have been walking a good deal the last 2 weeks which has made me feel much better - & now with the thought of you coming home

2.
My spirits have revived - I
cannot tell you how I am
longing to see you - I feel as
if I could jump on the train
and go all the way to
Winnipeg to meet you. I am
going to lock this house for
a while when you come back
There will be positively no
admittance to Aunt Clara's -
Uncle Bills - Terences, Ken's
Aunt Ediths - Carters Gilman
etc. I am just going to have
you to myself. + make you happy.
Isn't that a terrible threat!!
Edward darling the only thing

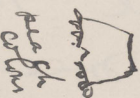

So not that beautifully expressed? -
 We had a very gay dinner party
 at Eric's last night, I wore my new
 Brown evening gown. etc. & looked very
 smart -

& Jerry were delighted & just before
 in heels I happened all evening -
 I was first to say or tell you that
 I was in one yesterday & the
 & seller for you & the author take

3.
About your going away, ^{is that it} makes
me know more & more, that
there is nobody anywhere, who
gives me the satisfaction &
happiness that you do, not
one thing has seemed complete
to me since you went away -

I feel like the little flower
that grows in the shade, always
reaching to feel the warmth of
the glorious sun, but never
quite making it! - You my
darling are the glorious sun!
& sad to say, out of reach
for me, the sad wee flower!

I have been thinking of you
and the time we spent together
and how much I have enjoyed
it. I hope you are well and
happy. I am still in the same
place and doing the same work.
I will be glad to hear from
you when you have a chance.

I am still in the same
place and doing the same work.
I will be glad to hear from
you when you have a chance.

place and doing the same work.
I will be glad to hear from
you when you have a chance.

The 2 post cards were lovely.

I have my little babies
to take out today. Ruth says
about you - I want "Him"
to come home - She said the
other day "If another Baby
comes here I'll slap her,
I'll sit on her. I step on her.
(notice the gender) - Then later
she says - no we won't slap
her, will we mummie? we'll
K-I-S-S her - I do hope that
you will find the children
looking well, I have tried very
hard to give them a good diet.

I also hope that you will
find the house looking
nice - & last but not
least yours truly.

Do you look well dear?
& are you fat? I do hope
that you are 10 lbs heavier
than I am -

Many thanks for cheque.
My love to you & I hope the
days will fly till the
day you come back home.
with love. Lois.
No news of Grace yet!
