Dear Mrs. Winslow-Spragge:

Fenley
I've had a wonderful time reading *Hunter's* little book on Frances Lake, Yukon. It has now been microfilmed on the regular archival quality film, but I'll hold on to it until that film has been developed. We may have to film it on another special roll of film designed to obtain clearer copies of the photographs, rather than the print and line drawings.

Do have a pleasant holiday season.

Sincerely yours,

John Andreassen
