

ask accuti to
to care my not-
writing to her -
The nurse being
here gives the
nurse to do - but
she very well
of the brother
mother -
Tuesday - 1894
Father's face is all
swelled up again
is it not dangerous

all goes on
well here - But I hope
will soon be well again
she suffers no more pain
& had a small square of
milk toast yesterday, that
we shall keep her as
invalid till she is quite
quite well. as far as
possible to prevent fear of
a relapse. I think you
had better come home
Monday - Lady Aberdeen
is having some historical
tableaux to which I believe
2 of my children are invited
When answered the enclosed
