? This letter looks as if written just before meeting
to University of home

Dearest - Clare,

1894

I forgot to write
this address for you, as
to tell you to telegraph
that I will see to by
telegraphing to you. Dear
children my heart aches
to feel you all away
from me - I can only
cry to God to care for you
all - Dear little Lais I
hope will be all right,
you forgot Mrs. Hells
keys I will post them
to her Turkey with this

I hope your word have
unwinded ahead. ~~Then~~ Write
directly to me at ~~Adelina~~
& if you are in any
difficulty telegraph to
Grandpa, who expects to
be here on Friday
you may be sure
my heart is with you
all, & tell the dear
boys that I beg of them
to be very good & obedient
for if you can write
& tell me that I shall
be greatly comforted
& try dear to be patient
with Keith - I know it
is hard. for I have had
a much longer time to
learn that in, than you
& yet - I am not always
patient myself - but

the God of Nature can strengthen
your heart -

Practical - get - of I begin
am packing now -

Travelling & all
Mother -

Secretary
