Dear Bernard

Thank you very
much for sending me those
stamps I had not got most
of them I am sending you
5 cents to get me some
more Oh! you can keep 1
cent for yourself if you
~~or get~~ get the other 4
cents worth for me I wish
you could get me a Chinese
only doe not pay much.

I was at the dentists
this morning all the
time I was getting my
teeth fixed there was some

one yelling up stairs it
was someone taking leather.
it is raining here today
and I am just going to
tidy ^{up} some things but
I thought I would write
a line to you before I
began please excuse
writing as I am in
such a hurry. I can
now hear Clare bellow-
ing down stairs. I hope
you like Berkeley
that is the wrong way
to spell it but never
mind, I heard you

here having a good time down
there with the over flow of the river.

If you are allowed to make ~~the~~ candy
down there I will send you a nice
^{amount} treat for heartt little I think
I will hope to stop now so good
bye from Jois
