

dolls

My dear Clara,

I am sending

Your doll, which I hope
will reach you safely, &

now a creditable addition
to the family -

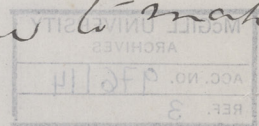

It says Papa & Mama,
& goes to sleep, & has real
hair, but it can't walk!

You must treat it to if you
can. It seems very in-

teresting - & I dare say
would learn rapidly -

I purposely got no clothes
for her because you

know I expect you to make

than yourself. Perhaps
Edith will help you.
Beside I did not know
whether you would wish
it in long clothes, or in tailor
made frock. My own opinion
is that it is about 10 years of
age, & should have short
clothes. What do you think.
Small for its age though, is it
not. I think I am letters
to both Edith & to little Ruth.
Tell them I shall not

forget. These stamps are
for Eric

With love,

Your affectionate uncle
Franklin
