

MCGILL UNIVERSITY WOMEN'S UNION
NEW MEDICAL BUILDING
MONTREAL

Oct-26th 1917

Dear Claire

At the annual meeting of the
executive I was asked to express to you the
deep sympathy felt for you and your
family by the officers and members of
the McGill University Women's Union.

Mrs Harrington had so much
originality of mind and such beauty
of character that her death is a loss
to the University and to the city.

With kindest regards to you all

Yours affectionately
Dorothy Porter.
