

Halifax April 19th 1844

My Dear W.

I have been appointed
General Agent for the Railway
from Halifax to Lunenburg - to
visit the Statutes & go to the
other provinces after the rise of
the land - I will endeavor to visit
at the Statutes fully & may
want of you and - still I
must to look to some day
if you are inclined to go to
the North River - to Halifax River
& to Maine to look at the

Mr. J. W. Dawson

Coal Mines & in the three
locations in June or July to give
us a good report on their
extent & value - & what will it
cost? Do you think you could
give such a report as would
be valuable in London & have
weight with capitalists & the
Govt. - Deal with me candidly &
let me have your reply soon.

My regards to your wife - &
to your good lady, when I
embark on her late departure -
do write

Very truly Yours
