Mr. John W. Dawson
Pittsboro

Pittsboro N. C. May 14/49

My Dear Sir, I regret exceedingly
that no arrangement has been made
by the Board of Foreign Missions for
publishing extracts from the lengthy
correspondence lately received in de
pamphlet form. If you and Mr
Weddel could do any thing in this
way I feel confident that the Board
would readily defray the expense.
Please correspond with Mr
W on the subject and say
also that we think that it would
be well to have a letter of thanks
drawn ready to submit to the Board
at the meeting of 14th; approving
of their past conduct and directing
their future conduct as far as
course as we can approve and
direct. This we think should be
done officially and perhaps un
usually. There should also be
some arrangements made
and resolutions prepared for
the annual Missions Meeting.

And if some of the brethren
were timely engaged to hear
and second such resolutions it
might prevent the embarrassment
sometimes experienced in carrying
out our plans when the period
arrives. Any arrangements of
this kind which you and Mr
Weddel can make I think
will be gratefully recognized
by the Board.

Freeman Deussen

Yours &c
