

Burlington 24th April 1850

My Dear Sir,

I lately transmitted £20 Miss
Money whom I hope you have received. On the
same day I received your favor including
Mr. Giddens letter. I have since written
to Mr. Smith and enclosed your honor
letter to Mr. Trotter which I intended to
have forwarded direct but I have been
thinking it might do as much good to appear
in the Chronicle. I submit it however en-
tirely to your discretion either to seal and
forward it ^(paying postage) or have it appear in the
Chronicle under your supervision as
I have not time to re-copy it.

Please direct a copy of the Digest
(including the back nos.) to be sent to Mr.
Carlisle, East Mountain Burlington.
It may be included in ^{and charged to me} ~~an~~ parcel.
I have had no opportunity of consulting
with the brethren on the subject of your
last but there will probably be a meet-
ing on the 14th of May when the Presby-
tery meet in Burlington. I remain

Dear Sir

Yours
John J. Bester
